

CAMP SCHOLARSHIPS AVAILABLE

Partial scholarships to Jewish summer camps are available to children of Temple members from a variety of Temple Funds. These funds come from voluntary contributions to the Dena Solomon Camp Scholarship Fund, Camp Livingston Fund and the Rabbi's Discretionary Fund, augmented by a contribution from the Women of Temple Sholom and Brotherhood.

The number and amount of scholarships distributed will be determined on the basis of funds available and the following priorities, so your prompt reply is necessary:

1. Scholarships to Jewish camps for families with financial need.
2. Scholarships to Jewish camps.

If you are interested in receiving a camp scholarship, please fill out the attached application form completely and return to Julie Solomon by mail or email (see below). The deadline for scholarship applications is **March 11, 2022**

It is the policy of most Jewish camps that no child should ever be denied a camping experience because of financial need. If you have extensive financial need circumstances, you should write directly to the camp and request a scholarship application.

There are also grants available through Jewish Federation Cincinnati. To see if your child qualifies, please visit Cincy Journeys: www.cincyjourneys.org/apply.

If you have any questions, please contact the Temple office.
